

NEWQUAY TOWN COUNCIL

MINUTE REF: Minutes of the Tourism & Leisure (T&L) Committee Meeting held on 16 January 2018 at 7pm in the Council Chamber, Municipal Offices, Marcus Hill, Newquay. **Actions:**

Present

Cllrs Mrs R Craze (Chairman), Mr A Pringle (Vice-Chairman), Mr D Cheney, Mr G Jones, Mrs M North and Mr L Gardner.

Also attending

Mr J Piwecki (Deputy Town Clerk), Miss N Cerejo (Projects Officer), Mr D Bradshaw (Town Crier), Ms C Beckham (Plastic Free Newquay) and three members of the public.

T001/18 **Apologies**

Cllr Mr O Monk was absent without apology.

T002/18 **Declarations of Interest and Dispensations**

None.

T003/18 **Minutes**

- i. 21 November 2017

It was proposed by Cllr Mr Cheney, seconded by Cllr Mr Jones and

RESOLVED unanimously to adopt the minutes of the meeting held on 21 November 2017.

T004/18 **Matters Arising**

T084/17 – **Coast of Dreams Signage**

The signs were now due to be installed on 24 January 2018. There had been some delay owing to the Christmas period.

T005/18 **Terms of Reference and Risk Assessment Update**

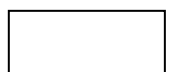

No update.

It was proposed by Cllr Mrs Craze, seconded by Cllr Mr Pringle and

T005/18 (1) **RESOLVED unanimously to move Agenda Item 10 forward to be discussed next.**

T006/18 **Plastic Free Newquay**

A short presentation was given by Ms Beckham regarding the Surfers Against Sewage (SAS) initiative 'Plastic Free Coastlines'. Ms Beckham had

been facilitating a coalition of Newquay based organisations to implement the initiative within Newquay. The aim of the initiative was to cut plastic pollution through individuals, businesses, schools and other organisations collectively reducing the plastic that they use. The same initiative had been successfully launched in Penzance the previous year.

At this time Mr D Bradshaw entered the meeting (7:04pm)

To receive the 'Plastic Free Coastline' status Newquay would have to meet certain criteria. Newquay Town Council would need to pass a resolution to support the initiative and name a representative of the Council to join the Steering Group. They would also need to make changes as a business to reduce plastic consumption by removing single use plastics from the premises, sourcing plastic free alternatives and supporting the initiatives of Plastic Free Newquay.

Local businesses would also have to be involved with one of the objectives for a town the size of Newquay being that 12 businesses adopt the scheme by removing at least 3 types of plastic from their businesses.

In addition, Plastic Free Newquay would need to connect with the local community to communicate their message and facilitate plastic free rallies, undertake at least two beach cleans and hold a SAS fundraiser.

Several organisations had already joined the steering group, among these were Refill Cornwall, Newquay Beach Care, Cornwall College Newquay, Newquay Marine Group and Newquay Community Orchard.

Ms Beckham stressed the environmental benefits of the scheme as well as potential benefits for the economy, community and businesses of Newquay.

Cllr Mrs Craze stated that the environmental aspects would need to be taken to the Footpaths, Bridleways and Open Spaces (FBOS) Committee. The proposed policy changes and potential financial impact on resources and staffing would need to be considered by the Finance and Policy (F&P) Committee. Ultimately the proposal would need to go to Full Council for a resolution.

All Councillors in attendance expressed their support of the scheme. Cllr Mr Pringle felt that the scheme would be a good opportunity for the Town Council to work collaboratively with the community and suggested a resolution could be passed to ensure events on the Killacourt were single-use plastic free as a condition of booking.

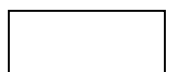

It was proposed by Cllr Mrs Craze, seconded by Cllr Mr Pringle and

**T006/18
(1)**

RESOLVED unanimously to open the debate up to members of the public.

Member of the public Mr Goodman expressed his support and offered to help promote the scheme through his community social media pages.

It was proposed by Cllr Mr Pringle, seconded by Cllr Mr Cheney and

**T006/18
(2)**

RESOLVED unanimously that the T&L committee support in principle, the Plastic Free Newquay initiative subject to F&P and Full Council approval.

F&P

At this point Ms Beckham thanked the committee and left the meeting along with one member of the public (7:23pm).

T007/18

Public Engagement

No questions were asked.

T008/18

Newquay BID Update

The Deputy Town Clerk announced a brief update in the absence of the Newquay BID Manager.

Seven Magazine 2018 BID were currently collating content for the 2018 Seven Magazine which was due for release in April/May 2018.

GDPR workshop BID had organised a General Data Protection Regulation (GDPR) workshop for their members, which was to take place on Thursday 25 January 2018 at a cost of £5 per member (capped at 25 attendees).

Training Courses A monthly programme of various training courses, workshops and seminars was being put together as requested by BID members. These were to cover subjects such as counter terrorism training, first aid and basic social media training.

Banners BID were researching and liaising with various banner companies for installation in the town at the end of March 2018.

Newquay in Bloom BID were liaising with Newquay In Bloom regarding any additional schemes or ideas they may have for future competitions.

Love NQY app The software developer was in the test phase of Love NQY mobile app.

T009/18

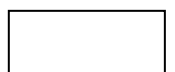

Town Crier's Report

The Town Crier gave a report on his recent activities.

As the only Town Crier in England to have hosted a Guild of Town Criers world championship he had been approached to front a 40th Anniversary championship event which was to take place at Windsor Castle in August 2018. Her Majesty the Queen would be in attendance.

He had also been invited to attend the 30th Anniversary of the Sir Francis Drake Armada Cup in Kingsbridge and Dartmouth in July.

He had agreed to take on the role of Newquay Carnival King and reported that the 2018 carnival week would include a photographic competition.

He had been invited to participate in a televised 100 Year Anniversary of Remembrance Day event, as one of 500 Town Criers from around the world to perform 'a Cry for Peace' on Sunday 11 November 2018.

The Town Crier's new robe had been ordered and was being made.

All notice boards were up and running. There had been some issues with access to the notice boards at Trenance Gardens owing to flooding.

T010/18 **Town Council Events**

The Chair requested that Items A and B were switched so that Item B could be discussed first.

It was proposed by Cllr Mrs Craze, seconded by Cllr Mr Cheney and

RESOLVED unanimously to open the discussion up to members of the public.

T010/18 **B. Debrief on Winter Events**
(B)

The Festive Festival

The Deputy Town Clerk gave a report on the Festive Festival event, a collaboration with Newquay BID, which had taken place on Friday 24 November 2017. Feedback had been very positive, and the event well received by members of the public. There had been a larger crowd than in previous years. Newquay BID had coordinated a mini program of events leading up to the Christmas lights switch on including street performers and live music.

The Deputy Town Clerk had attended a debrief on the event. There had been suggestion from members of the BID board that there may be scope to split the Light Switch-On and Lantern Parade into two separate events. The Deputy Town Clerk was unsure as to the reasoning behind this and Nitoe Security had been at the debrief and did not express any concerns about the numbers that attended. Another meeting was planned for 22 January 2018 to discuss this matter further with Newquay BID. The Deputy Town Clerk and the Chair of the T&L Committee would attend.

Members discussed the proposal to split the event in two and felt this would be to the detriment of the event. Members felt that people are drawn to the event, and not individual elements. Members felt the only reason it should be considered was if it posed a danger to public safety, which at present it doesn't. It was also suggested that if the event was split, the two events together would essentially cost more as there will be duplication on certain items such as; road closure management, security, fencing etc. Members did agree that the Fireworks display could do with being earlier for the younger children who don't stay up as late.

Member of the public Mr Goodman added that he had received feedback through social media that some of the parade was further up East Street

towards the Post Office when the stage performances at Marcus Hill started and so missed the entertainment. He felt this may have been the reason Newquay BID were looking at splitting the event. He added that if the slope outside of the Municipal Offices was utilised by the parade it may help accommodate all the attendees.

Christmas on the Killacourt

The Deputy Town Clerk gave a report on the Christmas on the Killacourt event held on 09 December 2017. A consultation survey to gauge the community's reaction to various elements of the event had been put on the Newquay Town Council website and shared on social media. The Deputy Town Clerk reported that by and large the findings had been positive. The market had a good footfall, but the survey did identify that respondents had wished to see a greater variety of stalls. The Santa's Grotto had received very positive feedback from all respondents, the majority of whom had indicated they would be willing to make a small donation towards sustaining the Grotto if needed. Cllr Mrs Craze indicated that she would be keen to keep the Grotto free of charge.

Cllr Mr Pringle suggested that it would be a good to approach local companies such as the Works at Head Office level, earlier on in the year to get a corporate sponsor onboard.

The Deputy Town Clerk continued that the only negative comments that had been received was that there should have been more physical promotion throughout the town and better signage to redirect people when the venues were changed owing to bad weather.

Feedback on the live music at Tall Trees nightclub had all been positive however it was felt that this would have been more successful had it been held on the Killacourt as originally intended.

The Deputy Town Clerk had attended a debrief about the event where it had been agreed that the Killacourt, being very exposed and prone to high wind speeds, was not an ideal location to erect a marquee in December. The Fore Street Car Park had been discussed as an alternative location for the Market and Music elements of the event as it is less exposed, while the Santa's Grotto would remain in the Bandstand. The Office had been in contact with Cllr Mr Geoff Brown (Cornwall Council) to ask whether it may be used free of charge as part of the Cornwall Council Christmas Free Parking Day. Cllr Mr Brown had agreed to look further into whether this would be possible, and the Office were awaiting a decision.

Member of the Public and Christmas Market organiser Mr Goodman added that the Fore Street Carpark would be a good location and allow for food vendors outside of the marquee as they had done previously with the Music & Ale festival that had taken place there.

Cllr Mr Gardner thanked the members of the Office staff that had worked on the Christmas event and put in their own time to help make the event a success.

**T010/18
(A)**

A. Events Management Working Party

The Chair suggested that an Events Working Party be formed to support the organisation and growth of the Summer Finale, Festive Festival and Christmas on the Killacourt events.

Cllrs Mr Gardner, Mr Pringle, Mr Jones, The Town Crier and member of the public Mr Goodman agreed to take part in the Working Party with Cllr Mr Gardner chosen to take the lead in charring meetings.

It was proposed by Cllr Mrs Craze, seconded by Cllr Mrs North and

RESOLVED unanimously to form an Events Management Working Party.

Band Concerts

Cllr Mr Gardner had been researching the potential to manage a program of Summertime music performances in public spaces around Newquay, centred around the Bandstand and Killacourt.

The Deputy Town Clerk confirmed that there was already a budget line for paid band concerts at the Bandstand and that the Town Council had in previous years held these over 12 successive weekends from mid-July to September.

It was proposed by Cllr Mrs North, seconded by Cllr Mr Pringle and

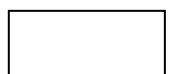

RESOLVED unanimously to pass the coordination of band concerts to the Events Working Party.

At this point the two remaining members of the public left the meeting (8:10pm).

Killacourt Bookings

The Deputy Town Clerk had received a booking application from events company Modern Markets who wished to use the Killacourt for an international food, drink and crafts festival. The dates that had been put forward would coincide with the Boardmasters Festival weekend. Despite requests for further information the company had failed to produce any site-specific documentation and it was unclear as to whether they would expect to be paid for providing the market.

Members discussed the application at length and raised some concerns over; the proposed date of the event clashing with Boardmasters Festival weekend, the proximity to the Fish Festival and whether local businesses would be offered the opportunity to have stalls or if they would be long standing contracts with national businesses. Members felt there were benefits to such an event however had concerns the residents and businesses may perceive this as unwelcome competition, particularly if local businesses are not permitted to be a part of the event.

The Deputy Town Clerk agreed to take the Committee's comments back to Modern Markets and request more information, imagery and evidence from previous events that the company had held elsewhere.

Summer Finale

The Chair announced that a decision needed to be made about whether the Town Council would hold another Summer Finale event for 2018. This event had been successful in 2015 and 2016 but in 2017 had been cancelled owing to adverse weather conditions. The Vice Chair agreed that there should be another event in 2018. The date for this was agreed as 15 September 2018.

Gorsedh Kernow

Cllr Mr Cheney announced several Gorsedh Kernow ceremonies were due to take place in the run up to 01 September 2018, culminating in a parade across the Barrowfields. The Gorsedh Kernow Committee were in discussions to add a civic parade onto the event, which would take place on the morning of 01 September. In the evening a concert was planned to be held at the Hotel Bristol.

Carnival Week

As a member of the Newquay Lions, Cllr Mr Cheney is already heavily involved in the organisation of Newquay Carnival. He requested that a member of the T&L Committee volunteer to represent the Town Council on the Committee to which Cllr Mr Jones had stepped forwards.

It was proposed by Cllr Mr Cheney, seconded by Cllr Mr Pringle and

RESOLVED unanimously for Cllr Mr Jones to represent Newquay Town Council on the Carnival Committee.

A conversation took place regarding the Town Council's 43 Deckchairs which had existed since the Restormel Borough Council days and were in varying states of disrepair. The Office had received an offer from a local business to buy the chairs for £15 for re-covering. This money as well as revenue from the Killacourt bookings could go towards replacing them.

It was proposed by Cllr Mr Jones, seconded by Cllr Mr Pringle and

RESOLVED unanimously to sell the Deckchairs for £15 each.

At this point Cllr Mr Cheney left the meeting (8.27pm).

T011/18

Other Correspondence

The Deputy Town Clerk had received an e-mail from a member of the public raising concerns about the re-location of Cornwall Pride festival from Truro to Newquay. The e-mail had been circulated to the Committee.

The Deputy Town Clerk had responded that Newquay Town Council have supported and will continue to support the event in Newquay. He had agreed to take the points raised to the T&L Committee for discussion.

At this point Cllr Mr Cheney re-entered the meeting (8.30pm).

The committee agreed that all the feedback from the 2017 Cornwall Pride event had been positive and the event was good for the town.

Cllr Mr Jones added that the event had benefitted the school community and had had a positive affect with improving confidence among his LGBTQ pupils.

Cllr Mrs Craze asked that the Deputy Town Clerk write a further reply relaying their support for the event.

T012/18

Visit Newquay Tourist Information Centre Update

Cllr Mrs Craze had attended a management meeting to discuss the TIC and gave a brief report in the absence of the TIC Manager.

Visit Newquay Guide The 2018 Guide had been printed in the new smaller format, ready for distribution.

See Confidential Addendum 16.01.18/001

Building Access When the Marcus Hill building is transferred to the Town Council it was discussed that the Visit Newquay TIC could potentially be used as the main entrance to the building and that hours could be extended from 9am-5pm

At this point the Town Crier thanked the committee and left the meeting (8:36pm).

See Confidential Addendum 16.01.18/002

T013/18

Library/Information Service Update

See Confidential Addendum 16.01.18/003

No specific date had been given for the transfer, but End April/May has been indicated.

The Chair announced that there are some building improvement works that can be undertaken under license and that she would be pushing for this to happen as soon as possible.
